Clancy and Middleton Excel at Sprinting and Vaulting, Respectively, at Barnard Games.

POINT TROPHY FOR ST. PAUL FOR A.A.U. CHAMPIONSHIP

Long Island Boys Barely Defeat De Witt Clinton by a Score of 25½ to 25.

Two indoor schoolboy track records were shattered at the annual spring games of the Barnard School held in the Eighth regiment armory yesterday afternoon. The events in which new standards were created were the 220 yards dash for seniors and the pole vault.

In the dash F. Clancy, of the De Witt Clinton High School, showed sprinting ability of considerable merit, beating a speedy field in clever fashion and covering the distance in 23.8 seconds. His time is 1.6 seconds better than the best previous record.

A. H. Middleton, of St. Paul's School, of Garden City, divided record breaking honors with Clancy. Middleton's feat was a leap of 10 feet 1 inch in the pole vault, adding one inch to the best schoolboy record for the games. Middleton vaulted in perfect style, and experts who witnessed his work predict a bright athletic future for him. R. A. Asserson, of the Polytechnic Preparatory School, finished second to the St. Paul School vaulter with a leap of 10 feet, tying the old record.

Honors involving the possession of the point trophy went to the athletes members of St. Paul's School. The Long Island pupils won the point prize by half a point over the team of the De Witt Clinton High School, the final score being St. Paul's School 2½ points and De Witt Clinton High School 25.

Those plucky little embryo men of muscle of Public School No. 24, who won the Herald cup for the 800 metre race at the County Fair in Madison Square Garden, again did clever work yesterday. They competed in the one-third of a mile relay race and won cleverly from the four of Public School No. 24.

The winning team was composed of De Witt Clinton, Marshall, Craig and Ottlinger. In the sixty yards dash for seniors F. Noyes, of the Montrose High School, beat a good field.
